## **Libros de artista (Books by Artist)**

On Saturday, March 14, El sábado 14 de marzo de 2008, at 14 hs, FUNDACION PROA inaugurates the exhibition **Libros de artista (Books by Artist)** from the Luigi Pecci Collection.

The show, in a walk through of movements such as arte povera, spatialism, and conceptualism from the 1960's through present day, allows for the exploration of the diverse variants of the artist's books as artistic expression.

The exhibition presents books by artists such as Giovanni Anselmo, Alighiero Boetti, Maurizio Cattelan, Enzo Cucchi, Lucio Fontana, Mario Merz, Michelangelo Pistoletto, and other renowned Italian artists.

"Many of these artists, such as Boetti, Merz and Fontana, were shown in PROA in big retrospectives. The Collection shows the artists' needs to work on a book, not from the literary standpoint but from the visual one", explains Adriana Rosenberg, president of FUNDACION PROA.

The exhibition **Libros de artista (Books by Artist)** from the Luigi Pecci Collection from Prato will be open to the public starting on March 14, 2009, at FUNDACION PROA, Av. Pedro de Mendoza 1929, La Boca, Buenos Aires. Visiting hours are Tuesdays to Sundays from 11 to 20 hs (last entrance at 19 hs).

Admission is \$ 10 (general), \$ 6 (students), and \$ 3 (seniors).
